**Foreign Mail
 Rates Going
 Up Monday**

An increase in international surface and airmail rates will go into effect on Monday, May 1. Postmaster Edythe Smith announced this week.

The new international rates, she said, will not apply to mailings for members of the Armed Forces overseas. Domestic postage rates are applicable to mail addressed through APO's and FPO's.

The rate increases for both surface and airmail—averaging 13 percent—were first proposed on January 14 and publicly confirmed on March 1.

Specific information on the new international rates can be obtained from the service window at the post office. Postmaster Edythe Smith said.

The increases are: Airmail letters to Central America and Caribbean areas from 13 cents a half ounce to 15c. Airmail to the rest of the Western Hemisphere remains 15c a half ounce, except for Canada and Mexico.

Airmail to Europe and Mediterranean Africa from 15c a half ounce to 20c. Airmail letter rates to the rest of the world remain unchanged at 25c a half ounce.

"Postage rates for surface first class letters and air letters and surface third class type printed matter to Canada and Mexico correspond to U. S. domestic rates, which are set by the Congress, and are not being changed at this time," Postmaster Edythe Smith said.

thedral near Bogota, the capital of Colombia. This Cathedral is 325 feet underground and is hewed out of the salt rock. Services are held there each day with room for 8,000 people and plenty of parking space in the underground. The altars are carved from the salt rock and are beautiful.

Through an association with a missionary from Colombia, made by Mrs. Milton Carpenter in Balle Glade, the Carpenters were guests for a visit and dinner at the Mission-Sociedad Interamericana in Medellin where a Presbyterian, Baptist and two Methodist ministers and families live and run the compound, including the Seminary School for 16 young ministers training for the mission fields. Rev and Mrs. Biddulph told many interesting stories of their work in the 23 years there.

A conference of 500 ministers from all over South America was to be held the day after the Carpenter's visit. One of the ministers who attended the Conference had been an interpreter for Billy Graham on his tour of South America.

Only part of the original tour group went on from Medellin to Bogota, including the Carpenters, by invitation, and were guests at the home of Ex-President and Mrs. Ospina Perez at both their town house and country estate or "Finca", which was reached after a four hour drive over the Pan-American Highway to the top of the Andes. The scenery was beautiful and the weather was quite cool. Ospina Perez was president of Colombia from 1946 for nearly a decade and his wife is now a Senator. During their visit in Bogota, Mr. Carpenter was a visitor at the Rotary Club.

There are very few English speaking people in this Country and unlike the countries the Carpenters had visited in Europe, they have few tourists at any time. Everyone is gracious and courteous and the Carpenters returned home with a feeling that they must learn Spanish so they could communicate better in their own Country and others.

RE: PAHOKEE DRAINAGE DISTRICT

TAXES FOR THE YEAR 1967
NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 20694, Laws of Florida, Acts of 1941, the Board of Supervisors of PAHOKEE DRAINAGE DISTRICT, a drainage district organized and existing under the Laws of Florida, and embracing lands within Palm Beach County, has caused to be prepared a Budget showing the Debt Service Tax requirements of the District for maintenance, operation and administration during the year beginning on the first day of November, 1967, and ending on the thirty-first day of October, 1968. Said Budget, among other things, shows the amount of East Unit Debt Service Tax, and the amount of East Unit Maintenance Tax per acre necessary to be levied upon the lands within said District for the year ending on the thirty-first day of October, 1968.

The said Budget is now on file and may be examined at the office of the Secretary of the District at Canal Point, Florida. The Board of Supervisors of PAHOKEE DRAINAGE DISTRICT will meet at 10:30 o'clock A.M. on the 8th day of May, 1968, at the office of the Secretary of the District at Canal Point, Florida, for the purpose of hearing objections and complaints with respect to the said Budget and for the purpose of transacting such other business as may properly come before said meeting.

DATED this 10th day of April, 1967.
BY ORDER OF THE BOARD OF SUPERVISORS OF PAHOKEE DRAINAGE DISTRICT
BY: Clarence W. Knecht, President

TO THE VOTERS of PAHOKEE

If elected to the Council I feel that if "we" (The Council) work together wisely our services will not be in vain. It is my whole-hearted desire to accomplish everything possible for the benefit of the tax payers and the people, otherwise, I must say, I would not have qualified for this office.

Most of the people in Pahokee and surrounding area have known me for a number of years, and many of these people with whom I have had business dealings know that my way of operating was conservatively, therefore, I want all of you to know that the same system will be the manner I intend to perform, if elected.

I am willing to give my time for the purpose of improving our town that we can say with pride, "I live in Pahokee on Lake Okeechobee". It can be reviewed, but remember it is not as active as it was when I came here 36 years ago.

The following are a few things I stand for:

1. I am 100 per cent for the Government Housing project, and always have been.

2. Also in favor of having at least 2 subdivisions, if possible to find close in land, desirable, whereby people can buy their own home.

3. When the State Park is finished I would like to see the State take over the Harbor facilities and lease the concession to the highest bidder, which would release the City of Pahokee the amount of money borrowed to build the Harbor, and it might be possible that the City could get a refund for the amount they have already paid to the State.

4. I don't feel that the people of Pahokee can afford added burden with higher real estate taxes, water bills or sewerage bills, at least at the present, therefore, if we can possibly get some housing projects started, or any other new developments, the extra revenue derived from these new projects, and cutting a few corners, such as I have mentioned, would help offset any expense needed to operate the city, and lift some of the pressure from the citizens of Pahokee, and also, be beneficial to the City employees.

5. Too, we should make every effort possible to sell the Old Hospital and be relieved of that indebtedness.

My slogan is: "I AM FOR PROGRESS"
Your vote and support will be most appreciated.
Don't forget City Council Election Day May 2nd.

Glenda Kaye Crews Weds R. P. Goodson

Miss Glenda Kaye Crews of Pahokee and Roy William Goodson of Canal Point were united in marriage in a candlelight ceremony held at the Canal Point Methodist Church Friday, April 21, at 7 p.m.

The couple repeated their vows after Rev. Edward Norton, pastor of the church, as they stood before an altar decorated with floor baskets of white gladioli and palms and lighted with three seven-branch candelabra.

The bride is the daughter of Mr. and Mrs. Dixon Crews, 170½ Banyan Avenue, Pahokee. She graduated from Pahokee High School with the Class of 1966, an honor student and salutatorian of her class. She is presently attending Palm Beach Junior College, and was on the Dean's list of honor students for the first semester.

The bridegroom, son of Mrs. A. E. Goodson of Canal Point, graduated from Pahokee High School in 1963 and is now employed as an staller-repairman by Southern Bell Telephone and Telegraph Company in the Glades area.

Miss Carlene Jones of Lake Wales, niece of the bride, was the only attendant. As maid of honor she wore an emerald green crepe sheath, fashioned with square neckline and bell sleeves. Her short veil was attached to a matching headpiece in the shape of a petticoat bow. She carried a bouquet of white orchids.

Given in marriage by her father, the bride wore a gown of white bridal satin with bodice, featuring a round neckline, sprinkled with seed pearls. A short train was attached to the semi-bell skirt by a bow at the waistline. Her shoulder-length veil of French illusion fell from a pillbox headpiece of lace and seed pearls. She carried a cascade bouquet of white orchids.

Airman Charles L. Goodson, U. S. Air Force, Las Vegas, Nev., served as his brother's best man. Ushers were Darrel Goodson of Canal Point, brother of the bridegroom; and Freddie Clements of Pahokee.

Mrs. Crews chose for her daughter's wedding a turquoise dress of rayon and silk, featuring beige appliques around neckline, with beige accessories and a white orchid corsage, while Mrs. Goodson, mother of the bridegroom, wore a mist green dress of whipped cream, featuring a bow and vertical row of buttons at the waistline, and white accessories. Her corsage was also a white orchid.

The bride's lovely gown was made by her mother, and the beautiful white orchid bouquets and corsages were furnished by the bride's brother-in-law, Carl Jones of Lake Wales, who grows orchids as a hobby.

At the reception in the church's social hall in the Maxson building, the table was laid with an ivory lace cloth over green and was centered with a circular arrangement of sage, baby's breath and white mums. The punch bowl was encircled with bells of Ireland and silver compotes were used for the nuts and mints. The scene was lighted with white tapers in crystal holders.

Portions of the wedding cake were served by Mrs. Carl Jones, sister of the bride, and Miss Joyce Goodson, sister of the bridegroom. Miss Dottie Elliott was at the guest book table, which was lighted with a bride doll lamp. Others assisting at the reception were Mrs. Donald Walker, Mrs. Richard C. Lane, Mrs. Bill Elliott and Mrs. Elmer Maxson.

Following a wedding trip through Central Florida, Mr. and Mrs. Goodson are now at their home in Pope's Trailer Park, Canal Point.

Witnesses Assemble At Naples May 12-14

Jean Rainbow, presiding minister of the Belle Glade congregation of Jehovah's witnesses, delighted the local members Sunday night with news of their semi-annual circuit assembly to be held in Naples.

Rainbow in discussing this announcement with the local congregation pointed to the need of Christian thinking and action in overcoming the rising tide of materialism and atheism.

"This three-day refresher program," Rainbow stated, "will mean much work for us planning and making arrangements to house and feed over 1,000 expected delegates."

The Watch Tower Bible and Tract Society is the sponsor of this seminar and it is designated to aid and strengthen the morale of people in this community. There will be experiences, Bible talks, and demonstrations to help all appreciate the value of God's Word in their lives.

The program is scheduled for May 12, 13, and 14 at the Naples High School.

Ask about buying Bonds where you don't have to cash in your present Bonds to get the attractive future. And yours

"Today, none of us can remain aloof on the sidelines."

"Today, above all, is a time for all Americans to rededicate themselves to the spirit that animated the Minutemen of Concord—who served as a symbol of the Savings Bond program. For today, as at the founding of our nation, it is freedom which is again at stake. Not all of us can call upon to fight in the jungles of Vietnam, but while our men are there, in the front lines of a distant land, none of us can remain aloof on the sidelines. We must all do our share—in every way we can—to support our men in Vietnam. One sure way is open to all Americans through the Savings Bond program."
